1. Sick Leave

- 1.1 Full-time employees who are on a 10-month contract will be granted eleven (11) days of sick leave annually, unlimited accrual.
- 1.2 Full-time twelve-month employees will be granted fourteen (14) days sick leave annually, unlimited accrual.
- 1.3 Part-time employees will be granted eleven (11) days per year, unlimited accrual.

This provision does not include leave for immediate family outside of the employee's residence. The Superintendent may approve, upon written request from the employee, leaves

If the school district considers the absences of an employee to be excessive, the immediate supervisor will discuss the issue with the employee in an attempt to resolve the situation. The contents of this discussion will be reduced to writing and provided to the employee.

If the absences continue and are determined by the school district to be a misuse of sick leave, the employee will be issued a written warning. The warning will identify that further misuse of sick leave will require a physician's statement for any absence if the employee is to be paid for the absence.

Failure by the employee to provide the physician's statement when required will result in the loss of pay for the absence.

2. Personal Leave

3. Bereavement

5. Maternity Leave

- 5.1 Employees who are pregnant may use sick leave for the period of actual disability connected with the condition. Disability is determined by certificate from the employee's physician. The District may, at its discretion, have the employee submit a statement from her physician during her pregnancy on her ability to perform her duties.

6. Absence Due to Assault or Injury

- 6.1 Whenever a regularly employed member of the unit is absent from employment and unable to perform his/her duties as a result of personal injury caused by an accident or assault occurring in the course of the performance of the employee's job duties, for which he/she is eligible to receive Workers' Compensation payments, he/she will be paid his/her full salary for the period of time in which he/she receives Workers' Compensation, less the amount of any Workers' Compensation award made for disability as a result of said injury. No part of such absence will be charged to the employee's annual or accumulative sick leave. The District may require the employee to have a reasonable number of physical examinations by a physician selected by the District.

The District will provide reimbursement for the repair, or the value, whichever is less, of clothing and personal effects damaged or destroyed during the course of an incident as a result of an assault suffered by an employee while the employee was acting in the discharge of his/her duties within the scope of the employee's employment, provided the loss is not caused by negligence of the claimant.

The District shall reimburse reasonable financial loss not covered by insurance for loss of, damage to, personal property while the employee or his/her property are on school grounds during the performance of an employee's job duties and such loss or damage is not due to the employee's negligence. ARTICLE IX

LEAVES OF ABSENCE

An employee may request a leave of absence without pay for one semester or one school year by submitting the request in writing to the Superintendent of Schools. The written request must

identify the length of the leave requested (starting and ending dates) and the reason(s) for the leave of absence. If the leave of absence is approved, the employee will not be given service credit for this leave period but will have previous service considered with regard to salary and accumulated sick leave.

ARTICLE X

The purpose of the meeting will be for the district to give reasons for the involuntary transfer. (A transfer will be considered "involuntary" only when the employee objects to such transfer.) District premium contributions paid on a pro-rata basis but not less than fifty percent (50%) of such premium coverage.

- 1.3 Employees who are laid off shall remain on a recall list for two years. Recall shall be in the inverse order of reduction, that is, the last laid off shall be the first recalled.
 - 1.4 Notice of intent to lay-off shall be given to affected employees thirty (30) days prior to the effective day of lay-off.
 - 1.5 Recall shall be by certified mail to the employee's last known address in the District's personnel file. In the event an employee fails to notify the District within two weeks of the date of said letter whether he/she will return to service and/or if the employee declines to return to service, the employee's name will be removed from the recall list. Upon recall, the employee's continuous, uninterrupted service prior to layoff will be credited to him/her and future service will accrue from that point.
2. Competitive Positions
 - 2.1 All competitive employees shall be governed by the appropriate provisions of the Civil Service Law as it pertains to position abolition, layoff and recall.
